This new group policy covers all members of the group to reimburse you for costly trip cancellation fees incurred when you cancel your trip, so long as the reason for canceling is a covered reason such as a medical condition in your immediate family. This policy also covers trip cancellations for pre-existing medical conditions for either you or any member of your immediate family, but only if the cost of the trip insurance is included in your initial trip deposit. Many other features such as reimbursement for medical expenses incurred on the trip are also included.

**H. PROOF OF IDENTIFICATION REQUIREMENTS:**

For all tour participants who plan to follow the pre-set "Ultimate Alaska Experience" Itinerary, and who do NOT plan on adding an Alaska Cruise at the end of the Package Itinerary, only a valid Drivers License is required as proof of identification for boarding all planes, trains and boats. For anyone planning to add an Alaska cruise to this itinerary, which would board in Seward on July 10<sup>th</sup> and disembark in Vancouver, Canada on July 17th, a valid U. S. Passport is required as proof of Citizenship and Identification. For all domestic airline, train and commercial boat transportation, failure to present a valid drivers license at time of boarding will result in denied boarding and forfeiture of all payments, no refund, no exceptions.(Transportation Security Administration Policy)
